LMA Annual Meeting, **June 22**

Poker Run, **July 27**

Q&A Session, **August 17**

Kid's Fishing Clinic, **TBD**

Record Membership

2023 Proves to be Banner Year with Over \$100k in Membership Revenue and over 400 Members!

Congratulations Lake Manitou on hitting our \$100,000 goal! For the first time in history, we've had over 400 families and businesses join the lake association. The support of each and every one of you is a testament to the work your association continues to do to preserve and maintain the health of our precious lake. BUT- we have loftier goals! 400 members is only about 60% of residents on the lake and it takes everyone's support to keep our association running. From annual aquatic plant control efforts to matching dollars on major dredging operations, we have numerous lake enhancement projects in the works. Please encourage your friends and neighbors to participate- a small investment annually continues to pay major dividends in property values and

overall lake enjoyment for our members. Again, THANK YOU and we look forward to setting new records with you in 2024! Cheers!

New Business Membership Level starting 2024

In an effort to show our support of the many community businesses who interact with our lake residents, we are starting a new Business Membership Level in 2024. For an annual \$500 donation of \$500, your business name will be listed in EACH of our newsletters. We appreciate each of our business partnerships and look forward to showcasing your participation.
